Give a description of your site in approximately 100 words.

Some directions on how to get to your caravan site from local main routes.

Have you enclosed your 4 (or more) photographs? Do not send negatives please. One photograph will be used as a link to your site details, and a larger version will be displayed on your page. Pictures can be of the site itself, some facilities e.g. swimming pool, play area etc or views of the surrounding countryside. If you have a Logo, send us a good print of it and we will try to include it. **Important:** Put your postcode and site name on the back of every photograph and any additional sheets - **Use a pencil on the back of photographs, ink or address stamps do not dry on them.**

Send original photographs/transparencies (maximum size A4). You may send digital pictures via a CD or e-mail in jpg format etc. **We will return original photographs to you.** Photographs from your site brochures are acceptable but may not reproduce well. If you want more than 4 pictures, these can be included at a cost of £6.00 + VAT each (£7.20 inc. VAT). Please state how many photographs you want on your page if you are sending more than 4. Up to 4 photographs are included in the standard price. **A VAT invoice will follow by return.**

If you have received any awards for your site, or ratings from recognised bodies (BH&HPA, AA etc), please forward this information for inclusion on your details. If you have a site brochure, please enclose a copy. **WE PAY YOUR POSTAGE.** Use the **FREEPOST** reply envelope and include all your paperwork and payment. Or write the **FREEPOST** address on your own envelope. **Or** - Fax this form on 01888 551784 and send the pictures to us or email them to email20@caravancampingsites.co.uk

(ALTERNATIVELY - YOU CAN APPLY ONLINE VIA THE WEBSITE)

Payments will not be processed until your advert is active!

I wish to have a **total of** _____ **pictures** on my advert (One picture minimum). Standard award logos such as star ratings, Loo of the year etc. do not count as pictures. Direction maps **DO** count as pictures, written directions are preferred as maps do not display well.
